

Lee Smith on the Iran Protests

Update: [Mr. Smith has a long piece about the Iran protests.](#)
Required reading.

I don't usually delve into international relations here, but the current wave of protests in Iran has been woefully ignored by the mainstream media. One of the smartest reporters I read regularly is Lee Smith. He posted a nine tweet tweetstorm on Twitter (where else?). This is worth reading. I created the pdf file from screen captures. Apologies for the poor quality. [Visit his Twitter feed](#) to read the original.
