

# Tax Time Humor

In this here U.S. of A., taxes are due Tuesday, April 17. I just finished ours today, so I needed a good dose of tax time humor. I'm gonna post three links to tax cartoons by Orlando Sentinel cartoonist Dana Summers. How I missed his stuff I have no idea.

Take a look and you'll see what I mean. (I still have a little tiny bit of respect for the copyright laws so I won't post the actual cartoons. However, one may show up as a thumbnail.)
